INDIANA UTILITY
REGULATORY COMMISSION

IN THE MATTER OF THE PETITION OF)
HERITAGE PLACE AT TRAILS EDGE,)
LIMITED PARTNERSHIP, 2620 EAST STATE)
BOULEVARD FORT WAYNE, INDIANA 46805)

CAUSE NO. 42774

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On January 14, 2005, pursuant to 170 IAC 4-1.5-3, Heritage Place at Trails Edge, Limited Partnership ("Petitioner") filed its *Petition to Master Meter Apartment Complex* ("Petition") seeking Commission approval for the installation of a master meter in lieu of individual meters during construction of a multi-unit apartment complex.

On February 3, 2005, the Presiding Officers issued a Docket Entry scheduling this matter for a Prehearing Conference on February 28, 2005, at 2:30 p.m. EST in Room E306, Indiana Government Center South, Indianapolis, Indiana.

On February 28, 2005, Petitioner filed its *Unopposed Motion For Continuance of Prehearing Conference* ("Motion") seeking an extension of thirty (30) days in order to continue exchanging information and reviewing applicable rules with Indiana Michigan Power Company ("I&M"). Petitioner further advised that additional discussions between the parties could result in withdrawal of the Petition. The Motion indicates that neither the Office of Utility Consumer Counselor nor I&M objects to a continuance.

The Presiding Officers now find that Petitioner's Motion should be granted. The Prehearing Conference presently scheduled for February 28, 2005, at 2:30 p.m. EST is hereby **vacated and rescheduled** for April 4, 2005, at 1:30 p.m. EST in Room E306 of the Indiana Government Center South, Indianapolis, Indiana. Should the parties reach resolution of this matter in advance of the new date, they are directed to notify the Presiding Officers of their intentions as soon as possible.
